*Civil Action No.*

CHICK&CO LLC AND  
WEST VILLAGE ASSOCIATES LLC,

1:24-cv-801

Defendants.

-----X

Plaintiff, KIRKPATRICK DUNBAR, (“Plaintiff”), by and through his counsel, The Marks Law Firm, P.C., hereby files this Complaint and sues CHICK&CO LLC, a domestic limited liability company, and WEST VILLAGE ASSOCIATES LLC, a domestic limited liability company, both registered in the State of New York, (hereinafter collectively “Defendants”), for a) injunctive relief, b) compensatory relief, and c) attorney fees and costs pursuant to 42 U.S.C. 12181, et. Seq., of the Americans with Disabilities Act (“ADA”), the New York Human Rights Law (“NYCHRL”), and the New York State Human Rights Law (“NYSHRL”) and alleges:

**JURISDICTION AND PARTIES**

1. This is an action for declaratory and injunctive relief pursuant to Title III of the ADA, 42 U.S.C. § 12181, et. Seq. This Court is vested with original jurisdiction under 28 U.S.C. §1331 and §1333.
2. Venue is proper in this Court, pursuant to 28 U.S.C. §1331(B) in that all events giving rise to this lawsuit occurred in the State of New York.
3. The violative Premises and the events giving rise to this lawsuit are located at 26 Carmine Street, New York, NY 10014 (hereinafter “Premises”).

4. Venue is proper in this Court as the premises is located in the State of New York, County of New York.

5. The Defendants CHICK&CO LLC and WEST VILLAGE ASSOCIATES LLC are each authorized to conduct and are conducting business within the State of New York.

6. Upon information and belief, CHICK&CO LLC is the lessee and/or operator of the real property, and the owner of the improvements where the Premises is located which is the subject of this action. Defendant also maintains and controls the Premises.

7. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, Defendants' Premises is a place of public accommodation in that it is an establishment which provides goods and services to the public.

8. Upon information and belief, WEST VILLAGE ASSOCIATES LLC is the owner, lessor and/or operator and managing agent of the real property where the Premises is located, which is the subject of this action, which also maintains and controls the Premises.

9. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, the building and/or Premises which is the subject to this action is a public accommodation covered by the ADA and which must be in compliance therewith.

10. The remedies provided by the NYSHRL against discrimination are not exclusive and state administrative remedies need not be exhausted in connection with suits brought under the Federal Civil Rights Act.

11. At the time of Plaintiff's visits to the Premises, and prior to the instant action, Plaintiff was, and still is, a resident of the City and State of New York. Plaintiff is a paraplegic, which constitutes a "qualified disability" under the ADA of 1990. Plaintiff uses a wheelchair for mobility.

12. On October 2, 2023, Plaintiff tried to enter Defendants' Premises (a well-known popular restaurant specializing in casual French dishes), which is approximately ten (10) miles from his home where he hangs out with friends on a regular weekly basis as a popular thoroughfare with everything convenient, to purchase their avocado over rice dish for lunch while waiting to meet a friend who lives in the area. However, because of the architectural barriers at the entrance of the store, such as, inter alia, a concrete step, Plaintiff was unable to enter the Premises. On October 2, 2023, while at the Premises, Plaintiff was able to get the attention of an employee to try and enter the Premises, who was unable to assist him in and confirmed no access inside was available. So, Plaintiff ordered his food to the sidewalk, while he waited outside, watching others come and go as they please. As a result of this experience, Plaintiff was denied full and equal access to, and full and equal enjoyment of, the facilities at Defendants' Premises.

13. Plaintiff is routinely in the neighborhood, exploring the neighborhood, hanging out with his friends and going to restaurants. Plaintiff has attempted to enter Defendants' Premises on multiple occasions, but continues to be denied access each time, and therefore suffered an injury in fact. Plaintiff is currently deterred from going to the restaurant based on his knowledge of the barriers to access that exist and intends on immediately returning to the Premises to purchase home goods once the barriers are removed and the Premises is ADA compliant.

14. It should be noted that Defendant, WEST VILLAGE ASSOCIATES LLC has been named in a prior lawsuit that was resolved at the same Premises (but oddly did not name the Cocu restaurant) with similar barriers identified in *Florez v. West Village Associates LLC, Docket No.: 1:19-cv-10932-JPO-DCF*. Despite being acutely aware of their obligations to provide access for over three years now, Defendant has willfully and intentionally chosen to discriminate. In light of the above, Plaintiff is entitled to punitive damages as a matter of law.

15. Defendants' violations impede upon Plaintiff's, and other similarly situated disabled individuals' right to travel free of discrimination. Defendant has engaged in the reprehensible conduct of intentionally and willfully deceiving people with disabilities that access exists and evading compliance with the ADA, simply to save a few dollars. Defendants have been aware of the accessibility at their Premises, but have failed to make the Premise accessible for disabled individuals.

**COUNT I - VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT**

16. The ADA prohibits discrimination on the basis of disability. The Act guarantees reasonable accommodations for individuals with disabilities to ensure they are not the subject of discrimination.

17. The ADA and 2004 ADA/ABA Accessibility Guidelines for Buildings and Facilities (36 CFR Part 1191, Appendices B and C) along with 28 CFR Part 36, Subpart D, the New Construction and Alterations portion of Title III (all hereinafter referred to as the "2010 Standards" or "Accessibility Standards") dictate that property owners and operators of commercial premises being used as "commercial establishments" are responsible for complying with these Federal Accessibility Standards.

18. The Plaintiff is informed and believes, and therefore alleges that the Premises has begun operations and/or undergone substantial remodeling, repairs, and/or alterations since January 26, 1990.

19. Defendants have discriminated, and continue to discriminate, against the Plaintiff, and others that are similarly situated, by denying full and equal access to and full and equal enjoyment of goods, services, facilities, privileges, advantages, and/or accommodations at Defendants' Premises, in violation of these Accessibility Standards.

20. The Plaintiff has been unable to and continues to be unable to enjoy full and equal safe access to, and the benefits of, all the accommodations and services offered at Defendants' Premises.

21. Plaintiff visited Defendants' Premises with the intention of utilizing Defendants' facilities, but was denied access to the Premises, and therefore suffered an injury in fact. In addition, Plaintiff continues to reside in New York and continues to desire to visit the Premises in the future, but will suffer future harm in that he is unable to access the Premises and continues to be discriminated against due to the architectural barriers which remain at the Premises, all in violation of the ADA, and New York State and City Human Rights Law.

22. Pursuant to the mandates of 42 U.S.C. §12134(a), On July 26, 1991, the Department of Justice, Office of Attorney General, promulgated Federal Regulations to implement the requirements of the ADA, known as the American with Disabilities Act Accessibility Guidelines (hereinafter "2010 ADAAG"), 28 C.F.R. Part 36, under which said Department may obtain civil penalties of up to \$55,000 for the first violation and \$110,000 for any subsequent violation.

23. The Defendants' Premises is in violation of 42 U.S.C. §12181 et. Seq., ADA and the 2010 Standards, and is discriminating against the Plaintiff as a result of inter alia the following specific violations:

- a. Due to the step leading to the entrance, the Property lacks an access route from site arrival points such as the public streets and sidewalks to the accessible entrance in violation of Sections 206.2.1, 303.5 and 404.2.4 of the 2010 ADAAG Standards.
- b. Failure to provide access to each dining room area due to steps inside.

- c. Failure to provide at least one of each type of service counter/ bar counter top for dining complying with section 904.4 of 2010 ADAAG Standards in violation of Section 227.3 of the 2010 ADAAG Standards.
- d. Failure to provide an accessible restroom with accessible features(signage, grab bars, insulation, spacing, and other amenities).
- e. Failure to provide at least 5% of accessible indoor/outdoor tables and seating with proper knee/toe clearance.
- f. Required directional and informational signage not provided in violation of Section 216 of the 2010 ADAAG Standards.
- g. Defendants fail to adhere to a policy, practice, and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

24. Upon information and belief, there are other current violations of, inter alia, the ADA at Defendants' Premises, and only once a full inspection is done can all said violations be identified.

25. To date, the architectural barriers and other violations of the ADA still exist, the removal of which is readily achievable and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA or to create access to the Premises.

26. Pursuant to ADA, 42 U.S.C. §1201 et. Seq. and the Accessibility Standards, the Defendants were required to make the Premises, a place of public accommodation, accessible to person with disabilities since January 28, 1992. To date, the Defendants have failed to comply with this mandate.

27. Pursuant to 42 U.S.C. §12188, this Court is vested with the authority to grant the Plaintiff injunctive relief; including an order to alter the Premises to make them readily

accessible to, and useable by, individuals with disabilities to the extent required by ADA, and order the closing of the Subject Facilities until the requisite modifications are completed.

30. Defendants are in violation of the New York City Human Rights Law by denying the Plaintiff full and safe access to all of the benefits, accommodations and services of the Premises.
